

Effective Managers Program (บรรยายไทย)

The course duration will be 3 days with limited number of 10 participants at The Lantana Resort Hotel on Ratchadaphisek Road (near MRT station Sutthisarn) in Bangkok on July 16-18, 2018

To remain competitive in today business environment and increasingly aggressive markets, individuals (and organizations) have to adopt a positive attitude to change and work with in the effective teams since organizations give away tradition corporate hierarchies to flat and multi-skilled working methods. Change has become the single most important element of successful business management today. This Effective Managers Program has been prepared for leaders and managers to challenge themselves and influence others to produce for better performance in their organizations. It is a special intensive course which will include coaching and workshop sessions to lead participants through their individual working environment. We will use what we learn from a very small class as tools to analyst and implement for the improvement on individual basis.

- 3 days course (from 09:00 – 16:00)
- Course will be conducted in Thai language
- Exclusive in-house program for individual company is also available upon request and booking for both Thai and English languages.
