# Leadership Development

Thursday 22 and Friday 23 February, 2024

from 09:00 to 16:00

## Leadership Development (2 days conducted in Thai language)

Leadership is an influence relationship among leaders and followers who intend real changes and outcomes that reflect their shared purposes. But the significant question for the leaders is always about what we are being paid to do. We are paid to achieve the task with strategic thinking, planning and implementation to make things happen. We are paid to build the team for not just the top team but teamwork based on a just balance of whole and parts, as the other face of coin of organization. We are also paid to develop the individual to help them grow and to make their maximum contribution. We all want to be happy and become effective leaders to lead and influence others for the success of ourselves and our organization.
